

Alexandra Lavado
Historian

Live, Laugh, Love, are three simple words that go a long way, and which I like to follow by heart. Hi, my name is Alexandra Lavado and I am your District X State Historian. I am 17 years old and a senior at Miami Beach Senior High. I live in the very touristic City of Miami Beach, a place with sunny beaches and people from all over the world. I like to read, write, and love to listen to music, dance, and take long walks on the beach. I like to challenge myself at School because I believe challenges are just what we need to push us to the top. I am part of the Scholars Academy and the first International Baccalaureate Class of my School. I am a very active student and like to participate in many Clubs. I am part of National Honor Society, English Honor Society, Hispanic Honor Society, Key Club, and of course FCCLA. FCCLA has given me a family of friends that I can rely on and trust. It has also encouraged and supported my project Hope for the Future, a project which helps children who are developmentally delayed. I know we could be the change we want to see in the world and so I like going by the quote "God grant me the *Serenity* to accept the thing I cannot change...., the *Courage* to change the things I can..., and the *Wisdom* to know the difference".
