

**Erica Gregg**

**Secretary**

Hey Everyone! I'm Erica Gregg, your 2010-2011 State Secretary. I am 17 years old and live in the City of Coral Springs. I am a senior at Coral Springs High School. This school has helped me grow into a better person. In my local FCCLA chapter, I have held the positions of V.P of Recreation, President-Elect, and I am the current President. I am also chairperson for District IX. I am involved in many other organizations and activities in my school and church. I am a member of the American Sign Language Club, National Honor Society, and Chorus. I attend Faith Center in Tamarac, Florida, where I sing in the church choir and I'm a member of the praise dance team. I love to spend time with my family and friends. The best piece of advice, I have ever received was to be strong and remember only the strong will survive.
