

Hey Florida, it's Gus Griffith, your district 4 state officer. I am in my senior year, class of 2012!!! I live in Port Orange, minutes from Florida's Daytona Beach Shores. I live my life on my own terms, as you can only be the best at who you're destined to be. I am a lover, fighter, best friend, and baker at heart. After joining my Culinary and FCCLA family in my freshman year, I fell in love with this organization. One, two, three conferences later, I have served as Chapter President & Historian, District 4 Chairperson, State V.P. of Public Relations, and now, proudly, as your 2011-2012 State V.P of Community Service! I encourage all of you to dig deep into our State Project this coming year, as the community is one of the 3 bases this organization was built upon. I cannot wait for all of Florida to begin its Ultimate Leadership Journey this year, on our way to Destination FCCLA!
