

*Hey everyone, I'm Jessica Scanlon
your Florida FCCLA State President.*

I go to Chamberlain High School in Tampa, FL. I am currently a senior and enrolled in the Culinary Operations Academy, and many other AP and Honors classes. I am a dedicated hard worker and always achieve my best. I look forward to my future and I make sure to take appropriate steps in the right direction. I am a huge baseball fan, and you can always see me wearing a New York Yankees shirt. I volunteer all the time, and like to make a difference in my community. I'm so glad to serve as you 2011-2012 State President. I promise to make it a great year and to work to my full potential. This is the year when I develop into a stronger leader and I am so glad that FCCLA has given me that opportunity. I have competed in the STAR event of parliamentary procedure for four years and have gone to district, state, and national competitions. FCCLA is truly the ultimate leadership experience. It has helped me in becoming the person I am today. FCCLA has helped me achieve many things. And I hope it does the same for you. Let FCCLA give you helpful tools to make you a better leader.
