

Micaela Figueroa
VP of Program of Work

Hello Florida, my name is Micaela Figueroa and I am your VP of Program of Work. Currently, I am in the 10th grade and attend Lakewood Ranch High School. I live in Bradenton, FL right next to one of the top 5 beaches in the World (Siesta Key). In my spare time I enjoy going to movies and volunteering in my schools daycare. I have a passion for music, and I enjoy playing the violin. I started my journey with FCCLA in the 6th grade. All of my best friends were a part of FCCLA, and influenced me to join. After I became a member I saw how spectacular this organization truly is. With FCCLA I have helped out in my community in more ways than I ever expected.

I have also gained leadership skills that will last a lifetime. FCCLA has changed me as a person and it is still impacting me today. I have always grown up knowing that you have to work hard to get what you want, that is why I love the aspect of FCCLA. With FCCLA all of my hard work pays off, and I get to see the reward throughout my community. My favorite quote is

“I learned the value of Hard Work by Working Hard” by
Margaret M. Fitzpatrick.
