

Hi my name is Monique Hercules; I am Vice President of Finance from District Six.

I am 15 years old and a junior at Tampa Bay Technical High school. I am in the medical program at my school, preparing for my dream job as a Pediatrician. My hobbies are roller blading, ice skating, reading books and making things. My greatest joy in life is a good adventure. I love to travel to far and exotic places; it is one of the greatest joys of my life. To see a different culture and walk in someone else shoes is an amazing experience. I am highly creative; I love crocheting, painting and making jewelry. I have been in FCCLA for 3 years. I regret not joining FCCLA in 6<sup>th</sup> and 7<sup>th</sup> grade it would have been so much fun. FCCLA has turned the shy little mouse I use to be into the confident social butterfly I am today. I will be ever grateful for all the things I learned in FCCLA since it has helped me become a better person. I am so excited to live out my dream to be a state officer I will do my best and shoot for the stars through FCCLA.
