

Hi Everyone! I'm Brett Floyd, your State President for the 2009-2010 year. I am 17 and live in the small town of Altha where everybody really does know everybody. I have attended Altha Public School with a total of 600 students in K-12. I will graduate this year along with 36 other kids that I have grown up with since the first day of school twelve years ago. Altha School is literally the center and the heart of my community; I would not be where I am today if it weren't for my friends and the faculty and staff at Altha School, which, throughout the years, have become my second family. I am extremely involved in my school and church. I love to play sports, I rep my school's purple and gold on the track, the court and on the field as a member of the varsity basketball team, cross country team and baseball team. Along with being an FCCLA state officer, I am also my chapter's President. In other areas on campus I am involved as an officer in BETA, FCA, FBLA, and I am the SGA (student council) President. I go to Altha First Baptist Church where I sing in the church choir and travel to surrounding states with my youth as World Changers, where we work on houses and serve as missionaries. The greatest little words of wisdom that I have heard were passed on to me by a fellow past state officer. Think only of the best, work only for the best, and expect only the best. Work hard and expect the best out of life and FCCLA, and you will achieve whatever you set your mind to.
