

Hello, my name is Erin McCarthy and I am your 2009-2010 State Historian. I was born and raised in Lakeland Florida. Lakeland is a “big” little town located in-between Tampa and Orlando right off of I -4. This year I will be a senior at Lake Gibson Senior High School. I enjoy Photography and I also like to knit. In my spare time I love working with children and spending time with my wacky friends and family.
