

My Name is Kelsea Livsey and I am your Vice President of Chapter Achievement. Most of my friends say that I'm pretty wild! I love to have fun and usually I can make any situation exciting. I love to dance, even though I am probably not the best dancer I just get out there and shake it. I also really enjoy working; most people call me a workaholic. I have probably the greatest job! I work at Kids R Kids daycare center and I have 12 smiling two-year-olds that greet me there everyday! When I'm not working I love to participate in community service projects and just have a lot of fun with my chapter. As of right now, FCCLA is the only club that I am a part of, but I think I am going to try CIA (Christians in Action) this year. I currently live in Bradenton, FL and attend Lakewood Ranch High School, but I grew up in Mandeville, Louisiana (it's close to New Orleans), and yes I was there for Katrina. It was definitely an experience that has shaped me as a person, but that's another story. Bradenton is pretty awesome; it's close to the beach and Disney, which I visit at least 3 times a year. The last most important thing you must know about me is that I love football, and I am the biggest Georgia Bulldogs fan you will ever meet!
