

My name is Madalyn Payge McCombs. I'm our Florida FCCLA V.P of Projects for the 2009-2010 year. I have a lot of enthusiasm and I am a very driven person. I come from a VERY small, back-woods town where there are about 50 people in my graduating class. I'm involved in my school's Drama Department, a leader of Youth for Christ and Newspaper Staff along with being my class representative and in Student Council. In my spare time I like to read, swim, spend time with family, and scuba dive. I am extremely blessed to also have a large church family. I am very active in my youth group and sing in my church choir. I live by two quotes: "To get something you've never had before, you have to do something you've never done." and "A woman's heart should be so lost in God that a man must seek him in order to find it." I'm excited to be one of your State officers and can't wait to see what this year holds!
