

I'm Maggie Matella, your Florida Vice President of Recreation. I am sixteen years old and a junior at Santaluces High School in beautiful Palm Beach County. I have been an active member of FCCLA since I was in 7th grade. Since joining FCCLA I have competed in Applied Technology and Chapter Showcase Display. At my school I am the junior class Vice president, a two year member of Student Government, and also play on the Girl's Varsity Soccer team. I live in suburban Lake Worth, where going to the beach is a staple activity, and whatever you need is in a ten mile radius. I have many interests including fashion, marine science, and anything outdoors. I'm outgoing and keep a positive attitude toward whatever I do. "Never let the fear of striking out keep you from playing the game", these words are always in my head whenever an opportunity comes my way.
