

I'm Rashawn McCloud, your Vice President of Careers and Alumni. I represent the district 4 but I'm from district 6 and live in the Tampa Bay area. I attend Hillsborough High School and the Senior Class of 2010, yay! I hope to join the U.S. Navy when I graduate or attend the University of Florida and major in business. I have been involved with FCCLA since my freshman year and this is my second year as a state officer. Besides being an officer I'm also involved in other clubs such as FBLA, Key club, Spanish Honor Society, and Student Government for my senior class. Some of my interests are being on my school yearbook committee and cheerleading at our Friday night football games. I like to hang out with friends and have fun when I'm not working at Busch Gardens. One of my goals this year as V.P. of Careers and Alumni is to promote alumni participation and create an Association that will grow bigger and bigger each year with more sponsors. This will allow seniors like me to be able to come back and help out FCCLA and continue to be a part of the organization.
