

Hello, my name is Rebekkah Houde, and I am your Vice President of Finance, representing District Three. I am seventeen years old and a senior at Middleburg High School. I am part of my school's marching band, The Pony Express Dance Team, Schools for Schools, Drama Club, The Academy of Architecture, Construction, and Interior design and of course FCCLA. I am president of the FCCLA chapter at our school, and I am very excited to be. Here are a few facts about me. I have lived in Florida for two years, I am a "transplant" from New Hampshire, I love to dance, and have been taking ballet since I was two. I also am very involved with my school and family. I am very excited to be a State Officer, and this year with FCCLA will be a blast.
