VP of COMMUNITY SERVICE

I'm Angie Poole, and I'm the VP of Community Service. I'm very athletic, I've played softball, basketball, and flag football for my school, as well as travel softball. I do pretty much every water sport and I surf a ton, so you can catch me getting pitted! I'm a local surf instructor at DBS. I also snowboard. My favorite color is tie-dye. I love FCCLA because I feel it prepares me for my future, and I joined because I want to be a better leader!
