

# Morgan Kirchman

State  
President-Elect

**Hey Florida FCCLA! I am Morgan Kirchman, your State President-Elect. I am a junior at Lakewood Ranch High School in Bradenton and am from District 7. When I was first introduced to FCCLA three years ago, I had no clue how much this organization would change my life! Outside of FCCLA, I am almost always either doing school work (I am taking three college classes this year) or something having to do with music; I basically live and breathe music. This includes my time spent in chorus at my high school, where we have performed at Carnegie Hall, Candlelight at Epcot, and with the band Foreigner! I am also in yearbook for the fifth year, in addition to National Honor Society and the Blood Drive Committee at my school. In my free time I love baking, hanging out friends, and traveling. Overall, I cannot wait see how you program your future this year with Florida FCCLA! If you have any questions feel free to contact me and don't forget to participate in this year's membership campaign, "Plug into 5"!**
