Hey Florida FCCLA! Let me introduce myself, my name is SkyLee Miller and I am your State Vice President of Public Relations for the 2017-2018 year representing Region 4. Many of you may remember me from this past year since this is my second term as a Florida FCCLA state officer. I currently attend Lakewood Ranch High School as a senior and am in district 7. This is my 6th year in FCCLA and I am so excited to make the most of it as it is my last. I joined FCCLA as a shy seventh grader and as soon as I saw those cool people in the red blazers I knew I wanted to be one of them. I later found out that they were state officers and did what I had to do to be up on that stage in a red blazer. I'm so fortunate that I have been able to represent Florida FCCLA and have memories to look back on for a lifetime. A little bit about me, I'm a Florida native and love the beach (as most Floridians do). I have an obsession with makeup, hair, and fashion and plan to go to UCF and get a double major in business and journalism. I can't even begin to explain how much I appreciate everything FCCLA has done for me and I'm excited for another year! Let's have a great year Florida FCCLA!!!
