August Summer Issue 2015

Florida takes DC

National Leadership Conference 2015

National Leadership Conference...what an experience! Nationals this year held in Washington, D.C. Everyone was eager to start trading pins and making new friends. State Officer Isabelle said her favorite part was "Going to all the workshops, state officer meetings, and the general sessions I was able to learn a great deal that will help in the year to come. And how can I forget the most amazing experience of all; our Advocacy Day on Capitol Hill. Showing our love and support for FCCLA and FCS would have to be one of my favorite experiences of the entire National Leadership Conference." it was an unforgettable experience for members as they were able to not only compete but visit all the historical monuments D.C. has to offer. What made it even more special was the time this event took place, the members experienced the capitol on the 4th of July; the nations beautiful birthday.

it's over,
smile
because it
happened'*
