### ***2021 Hybrid National Leadership Conference Recap***

As the second time the NLC takes place since COVID-19 struck, this was the first conference to happen in-person as well as over zoom. The event took place in Nashville, Tennessee for the members whom attended physically. Those who attended virtually were included in most events through webinars and interactive pre-recorded videos with speakers and special guests. For everyone who attended either virtually or physically, gained a rewarding, learning experience.

## *Covid Tip #1*

*Whenever there's a sink and soap available,  
wash your hands!*

# STAYING IN THE NOW

## Tips for a Successful Physical Year

- Stay updated on any clubs you may be a part of. You can do this by making sure you try to attend every meeting. If you are an officer, you can also make sure you are keeping your members inform and have some sort of communication going on. For example, some clubs use Remind.

-A good tip to enjoying school this 2021-2022 school year is to try and attend social events. It is an important tool to be interactive during this pandemic. Being interactive helps one develop better social skills that last a lifetime.

## MEMBER SPOTLIGHT

Jaden Aranguren  
District 10 region 5  
Hialeah Gardens Senior High School

Hey Florida FCCLA! I'm Jaden and I am a member of the Hialeah Gardens FCCLA chapter. I'm in 12th grade and although I'm not very busy, I am an active person. On my free time I love doing some of my favorite hobbies. I love to occupy my time cooking and baking but also playing sports such as basketball, volleyball, soccer, and karate. When I'm not doing any of these activities I can be found spending time with family or friends. Although I still don't know what I would like to do in the future, I am excited for this year in FCCLA and learning new skills in the culinary world as well as meeting new people along the way.

## A FEW WORDS FROM YOUR PRESIDENT

Hello, Florida FCCLA!

It's your State President, Jorge Sanchez! I'm beyond excited to welcome all of you to this new school year, as well as keep our Florida spirit going. This year, Florida FCCLA is going Around the Globe as we modernize our events, come up with new ways of keeping in touch with members, and ensure that all of our Florida membership is ready for a successful 2021-2022 school year. Please feel free to reach out to me with ANY questions you may have, I am always here to help out! My Instagram is @jorge\_312210, and my email is [jorge@ffcccla.org](mailto:jorge@ffcccla.org).

I can't wait to hear from all of you and what you're accomplishing!

Yours truly,

## 2021 Membership Campaign

### Discover the World!

Our 2021-2022 Membership Campaign has been released! This year's membership campaign was built from the ground up with members and chapters in mind. The goal of the campaign this year is to help chapters maximize their FCCLA years and make the most of it!

With this new campaign comes some new awards, so check it out! Visit [ffcccla.org/membership-campaign](https://ffcccla.org/membership-campaign) to view the file :)

### Community Service Project

Currently, our three-year-long community service project is on HOLD.

Instead, we will be doing a three-month-long service project focusing on giving back! During the months of October to December, chapters are encouraged to put together care packages for those in need. More details about what these care packages should include will be posted on the state website, as well as another initiative we will be doing for the month of December.

#### Covid Tip #2

Use hand  
sanitizer when  
hand washing  
isn't an option.
