with Successful Leadership***

***Write the Code of Family
Values***

The National Leadership Conference always gets FCCLA members in the mood to show off their leadership skills. Students travel from near and far to unite as one in some of the most beautiful places in the country, and this year members were in for a sweet surprise when they took on the lovely Atlanta, Georgia! Within no time members were networking and trading pins and social media handles with each other! Not only were they making new friends, they were making lifelong connections. Members let their leadership skills and creativity run wild as they took part in STAR events and went to workshops. Members also attended national program meetings and learned some valuable skills to help them prepare for future careers and future involvement in our great organization, FCCLA.

Leadership is the capacity
to translate visions into
reality. -Warren Bennis

State Community Service Project

Books for a Better Future

FCCLA chapters will:

- 1. Collect books for children ages 0-6 years.*

 - *Churches/Synagogues/Temples*
 - *Others*

Meet Your Officers

Name: Lazaro Quintana
Birthday: 03/27/2002
Office: State President

Get to know me !!

Being a leader isn't just stepping up on stage and giving a speech, it's all about the side the public doesn't see. It's working with your team and making them feel involved, comfortable, appreciated, and included. It's knowing that the feelings and ideas of everyone else are what matter, and if you have that as your first priority, developing your team into leaders just comes naturally to you. Hey there Florida FCCLA! I'm your 2018-2019 State President! I'm beyond excited to serve my 3rd term on the State Executive Council, and I'm even more excited to meet every single one of you throughout the year at district, state, and national meetings! Now, FCCLA isn't the only thing I do... I'll probably be posting on my school's social media (I'm the publicist on the Junior Board) or at the fire station (I'm a cadet for the Miami Dade Fire Rescue). Of course I love eating, having fun with the people I love and trying new things! If you're ever in need of any help with FCCLA or just want a new friend shoot me an e-Mail! I'd love to get to know you!!

Name : Morgan Kirchman
Birthday: 12/26/2001
Office : State President-Elect

Here's a little more information to get to know your State President-Elect! I live and breathe music! For me, it's a way to relieve stress, express myself, and feed my passion. If i'm not sitting with headphones in, I'm likely in my room practicing. I sing, play guitar, piano and ukulele! Besides music, one of my main passions is volunteering. It wasn't until recently that I realized that I have a love for helping others and putting a smile on someone's face (yes, as cheesy as it sounds it's true!). Additionally, some of my hobbies include cooking, reading, and photography. A big part of my life, of course, is school. A lot of my time is spent doing school work, but also being involved in extracurriculars! I am a member of the yearbook staff and am in choir- both of which I have been doing for the past six years, and of course FCCLA! Consequently, one of my biggest passions is being a leader. To me, being a leadership means being someone who can be looked up to, can lead, is responsible, and has the ability to make a difference in a community!

Name: Karol Bastidas
Birthday: 11/3/2003
Office: Vice President of Junior Relations

Leadership is among all of us, it's in you! There's a great leader inside of you, we just need to train the mind! I was born on November 3, 2003 in Cali, Colombia. For me being a leader means a lot because the best leaders are always able to inspire greatness in others through their words and actions. The leader with his team solves the "here and now", imagines the future in the present, recreates the future and wishes to transcend. You can not direct anyone if you are not able to direct yourself. The leadership that is exercised implies being a dynamic and passionate person. A few things about me is that I like to talk a lot about personal motivation, I am fascinated by butterflies and my passion is to learn about the human brain. Also, I am a great dancer and I love any type of music, my favorite dessert is "natas" it's very typical in Colombia. In my free time I like to be with my family, and to enjoy nature and eat a lot. My plans for the future are to have my own company and at the same time give motivational speeches by helping many people... for now I will be studying finances, psychology and experience new public speaking opportunities!

Name: Levi Kimbrell

Birthday: 10/29/2002

Office: Vice President of Public Relations

Hello everyone! I'm Levi Kimbrell and I'm your 2018-2019 State Vice President of Public Relations. FCCLA has truly shown me what being a leader means; being a leader isn't just having a title and a red blazer, it's about empowering others to show their true colors in a leadership environment. FCCLA means a lot to me but when I want to take a break you can usually find me watching basically any and everything on Netflix. I want to continue my journey in FCCLA but I also have plans for my future career. I want to be in entertainment! My plan for my future is basically to make people happy!

Name: Kaitlyn Wood

Birthday: 8/22/2003

Office: Vice President of Parliamentary Law

People view the word leader in many different ways but to me someone who guides you in the right direction and helps you be the best you can be is the true definition of a leader! Hello:) I am Kaitlyn Wood. I enjoy babysitting and dog sitting for my neighbors as a job, and some hobbies that I enjoy is traveling, meeting new people and hanging out with friends! At about every restaurant you will see me eating chicken tenders and fries! For my career in the future I would love to be a pediatric nurse.

Name: Valentina Montenegro Guzman

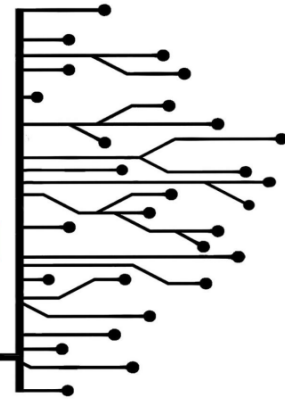

Birthday; 5/18/2000

Office: Vice President of Community Service

.....

PLUG INTO MEMBERSHIP

PLUG INTO 5:

As a way to boost membership and encourage chapter growth, FL FCCLA is encouraging each chapter to increase their membership numbers by five students as a part of Plug Into Membership. For example, if your schools' FCCLA chapter had 25 members during 2017-2018 school year, your goal is to reach 30 members this school year! Each chapter that accomplishes this goal will be recognized at the State Leadership Conference! In addition, the chapter that has the largest growth in membership will receive an award for their accomplishment and participation in Plug Into Membership.
