

FALL EDITION 2020

THE ROSE PETAL

UPDATES - ANNOUNCEMENTS - HIGHLIGHTS

Chapter & District Officer Trainings

Your state officers have extremely busy for the past couple of months. Amongst all of the other events, they hosted Chapter and District Officer Trainings for all of our officers around the state of Florida. They presented everything from club meetings to publicity and leadership skills. The turn out was absolutely incredible. We are thankful to everyone that was able to join our Training Sessions. We hope you enjoyed just as much as we did.

STATE THEMES & TARGETS

Kick Start Your Journey With Florida FCCLA

Jump into your career with Career Preparation

Serve the Members within your community

Score a goal with successful leadership

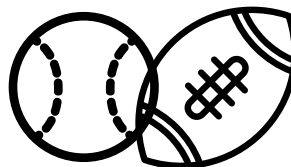

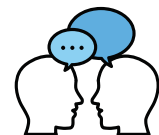

Dive into the importance of Family Values

Competition

Tip #1

Make eye contact with judges! It creates a better connection between the presenter and the audience

STATS

We are pleased to announce that we have finally reached

1,000 followers

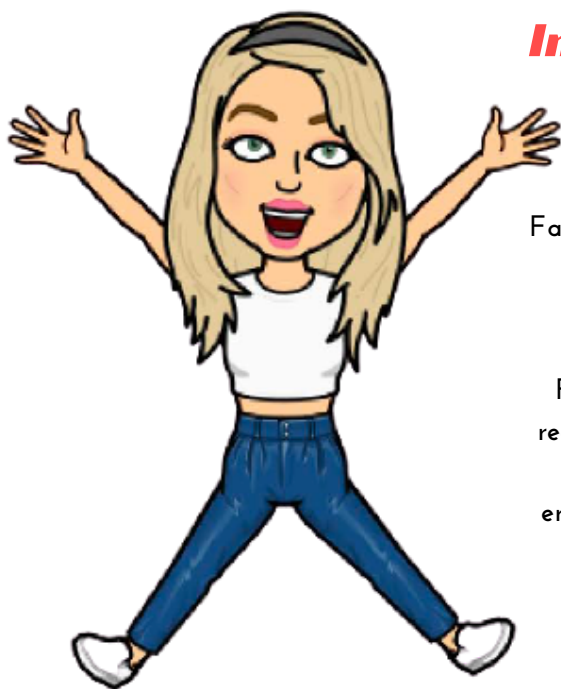

on Instagram. The growth that we have recieved on all of our social platforms this year has been fantastic and we hope this is only the beginning of our journey to expand our online presence.

National Programs Week

Our first ever National Programs Week was success. This event was a week long series of workshops each focusing on different National Programs to inform members on information about each of them and how they can execute their projects this year. To get more information about any National Program, check out our YouTube Channel!

OUR TEAM ROSTER

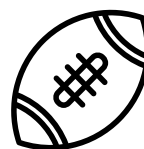

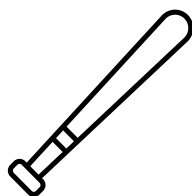

Introducing Your New State Director

Brette Lauren Peeples
Florida FCCLA Executive Director

Favorite Food: I love a variety of foods from many different cultures but my weakness is chips and salsa.

Favorite Shows: I have seen very few movies or TV shows and haven't owned cable in over 5 years.

Fun fact: I have been in FCCLA since before I was born. I have received 6 National Gold medals and served as State President and President-Elect. I am looking forward to a year focused on empowering others, implementing more technology and embracing change!

Introducing Our State Officer Coordinator

Say Hello to one of the newest members of our team, Mrs. Humphrys. She was a graduate of the 2018-2019 FCCLA Advisor Academy. She states that "participation in the advisor academy gave her a better understanding of FCCLA processes and encouraged me to help the club grow and focus on service projects." Congratulations to our New State Office Coordinator, Mrs. Humphrys for the amazing accomplishments!

Meet Ms. Humphrys
Viera High School

WHAT'S HAPPENING?

Annual Community Service Project

Florida FCCLA is proud to announce the 2020-2021 State Community Service Project, Tackle the Needs of Others. Florida FCCLA has partnered partner with Sports4theKids, a non-profit organization that aims to match students in need with new and used sports equipment. We understand that these are difficult times, so to comply with the needs of each chapter, you can either participate in our annual 5k or create your own personal fundraiser.

For more information contact taylor@flfccla.org or visit our website.

Competition Tip #2

Show passion when presenting! Make the judges love your presentation just as much as you do!

What are our Members up to?

Meet Beatriz Ferreiro
District 10, Region 5
G. Holmes Braddock High School

"Hello everyone! My name is Beatriz Ferreiro and I am an officer for FCCLA at G. Holmes Braddock Senior High School in District X. So far, this school year has been very different than the others, but I know that this is just temporary. Keeping up with all of my classes while staying at home can be stressful at times, especially now with many students going back to school in Phase 2. Since my family and I chose to stay virtual through Phase 2, I have been making accommodations to make this new norm easier and better. Simple changes like better time-management and jotting down the things I need to get done have made online learning less stressful for me. I would like to give a huge thanks to all the teachers and students across the U.S. for getting through these crazy times, I believe that with all the new safety measures being enforced we will all be back to school in no time!

Membership Campaign

This year's 2020-2021 State Membership Campaign has been officially been released. This year there will be a new membership award presented to the chapter with the most members. Check out this campaign on our website to get more information about how you can expand your membership in your local chapter!

For more information contact jorge@flfccla.org or visit our website.

UPDATES

Florida FCCLA Day Recap

Florida FCCLA Day was on September 18th and we just want to take a moment to appreciate what all this club has done for us! Over the years we have advocated for Family and Consumer Sciences, made new friends and connections, taken crazy fun trips and so much more. We love this state association and it's touched so many lives. We only hope to keep expanding to touch more and more lives.

Competition Tip #4

Stay Calm! Competing can be nerve-wracking, but you have prepared for this moment! You got this!

SLC Registration

Scriptwriting took place in late October where your state officers began to plan SLC. We are addressing the ongoing situation with COVID-19 and will have an answer as to what this year's State Leadership Conference will look like prior to registration opening. So excited for you all to join us this year. Big things are on the way!
