

WINTER EDITION 2021

THE ROSE PETAL

UPDATES - ANNOUNCEMENTS - HIGHLIGHTS

Among Us Tournament

Scandalous events went on as your state officers took on the Texas and National Executive Council in a thrilling game of Among Us! Regan rhymes gets the award for best straight face and Hannah always looked so innocent. However, they were no match for our poker faces. But, Jorge was the worst of them all, you can always tell when he was the imposter. Thank you to everyone who registered and participated to play. We had a fantastic time! If you want to see us play any other games in the future let us know what we should try out. We are always open to a little friendly competition.

Lakewood Ranch High School

What are our Members up to?

Hey y'all! My name is Jordan Baker, and I am the FCCLA district 7 chairperson, as well as, President-elect for my schools chapter. This year has been different than anything we ever thought we'd go through, having to adjust to virtual learning has been a challenge but has also been very rewarding. My fellow officer teams and I have had to be very creative with keeping our members engaged and excited to be involved in FCCLA. I look forward to going into my senior year with FCCLA however that may look in the near future!

What are our State Officers Up to?

What's up FCCLA! My name is Kylie Smith and I am your VP of Management as well as the treasurer of the FCCLA chapter at Hillsborough High School where I am a senior. The second semester is in full swing and my senioritis is stronger than ever. Managing a busy schedule is very important in this time as I juggle school, work, making a yearbook/ newspaper, and the state council so here's a few tips from me to you...

USE A PLANNER: it will save your life. I prefer monthly spreads because I don't have the time to keep up with weekly ones.

MAKE TIME FOR YOUR FRIENDS: don't be all work and no play. Balance is key to keep you from feeling like you're drowning.

PRIORITIZE: The more important it is or the more time it's going to take the higher on your To Do list it should go.

I hope you all are staying safe in these unprecedented times but also finding normalcy and joy in everything you do. Wear your mask, be kind, and rock on FCCLA!

Community Service Around the State

We were proud to announce the 2020-2021 State Community Service Project, Tackle the Needs of Others and even more excited to see what you all came up with! We understand that these are difficult times but we are proud of our members for continuing to help the community in everyway they can.

Picture #1 : Bethlehem High School worked together to replace their water fountain heads and started a recycling drive. Not only are our members proactive but environmentally aware. Go Green!

Picture #2 : The Hialeah Gardens Chapter collaborated to make thank you cards for various essential workers around the community. Showing gratitude towards the people who help everyday is a great way to have positive impact around the community.

Picture #3 : Wellington High School's Chapter hosted a toy drive for this holiday season. Not only did they spread the holiday spirit but showcased kindness to the people around them.
