General Responsibilities of a State Officer

As a State Officer, you will have the responsibility of representing all Florida FCCLA members. FCCLA must be one of your top priorities for an entire year.

Being a State Officer involves a large amount of time, commitment, and responsibility to the organization. As a State Officer of FCCLA, the impression you make on other people will have a significant impact on how they judge the entire organization.

You must always be mindful of the image you portray in appearance, in speaking, in writing and in manners.

The growth of FCCLA depends on the performance of your duties and the impression you leave with people who are interested in FCCLA. You are responsible for responding timely and appropriately to any member requests for support or assistance.

State Officers should always be prepared, on any occasion, to make remarks or “say a few words” about FCCLA. To do this, you should know and understand the bylaws, creed, tagline, and general historical and current facts about FCCLA.

As a State Officer, you have the challenge of providing guidance, leadership, and inspiration to all FCCLA members. The example that you set will affect each member’s enthusiasm and involvement. State Officers are required to adhere to the Code of Conduct and Dress Code which all members follow.

You will also be a member of a team of state leaders. It is the responsibility of this team to collectively work to meet the needs of the members of FCCLA.

You must always show respect and courtesy to your fellow officers. Communication is key to the success of the State Officer team!
